EXPERIENCE

IT KEY SOFT TECH
September 2023 - July 2024

I worked as a web developer in this company. In our company, we developed a complex CRM for housing sales and some other projects. ITKey.uz

Dynbek local outsourcing company
December 2022 - September 2023

I worked as a front-end engineer in this company. Our company aims to make businessmen's work easier with the help of IT technologies. I have gained solid experience and knowledge by participating in various complex projects. My next step is to get a job in a large tech company.
